DETERMINATION

- ☐ **PROFICIENT** — the student demonstrated proficiency in the vehicle inspection unit of the behind-the-wheel range curriculum and is prepared for the DMV vehicle inspection test.
- ☐ **NOT YET PROFICIENT** — additional inspection training assigned. Re-evaluation required.

The California DMV does not publish a fixed number of allowable incorrect responses; the maximum varies by vehicle type and configuration. This school evaluates the student as proficient only on a complete inspection with no missed safety-critical items.
